1. Evaluation Process

- Proposals will be selected by Desoto ISD in accordance with the requirement and specifications set forth in this RFP. The proposal evaluation process is designed to award the Contract/s not necessarily to the Proposer/s of least cost, but rather to the Proposer/s with the best combination of attributes based upon the evaluation criteria and who submits a proposal that is the most advantageous to Desoto ISD.
- A Proposal Evaluation Team, appropriate to the scope and nature of the RFP, will evaluate each Proposal that appears responsive to the RFP.
- Each Proposal Evaluation Team member will independently, evaluate each proposal against the evaluation criteria in this RFP, rather than against other proposals, and will score each in accordance with RFP Proposal and Evaluation Guide.
- Desoto ISD reserves the right, at its sole discretion, to request Proposer clarification of a Technical Proposal or to conduct clarification discussions with any or all Proposers. Any such clarification or discussion shall be limited to specific sections of the proposal identified by Desoto ISD. The subject Proposer shall put any resulting clarification in writing as may be required by Desoto ISD.

2. Contract Award Process

- The tabulation results of the responsive submitted proposal in the evaluation process will be forwarded to the appropriate department official who will consider the proposal evaluation process results and all pertinent information available to make a determination about the contract award. Desoto ISD reserves the right to make an award without further discussion of any proposal.
- Notwithstanding the foregoing, to affect a contract award to a Proposer other than the one receiving the highest evaluation score, the requesting department/party must provide written justification for such an award and obtain the written approval of the appropriate District official.
- The Proposer with the apparent best-evaluated proposal will be required to enter into an agreement with Desoto ISD, which shall be substantially the same as the Sample College Contract/Agreement.
- However, Desoto ISD reserves the right, at its sole discretion, to add terms and conditions or to revise College Contract/Agreement requirements in Desoto ISD best interests subsequent to this RFP process. No such terms and conditions or revision of contract requirements shall materially affect the basis of proposal evaluations or negatively impact the competitive nature of the RFP process.
- The Proposer with the apparent best-evaluated proposal must sign and return the Contract written by Desoto ISD pursuant to this RFP no later than the Award of Contract Date in RFP Schedule of Events. If the Proposer fails to provide the signed Contract by the Award of Contract Date, Desoto ISD may determine that the Proposer is non-responsive to the terms of this RFP and reject the proposal.

- If Desoto ISD determines that the apparent best-evaluated proposal is non-responsive and rejects the proposal, Desoto ISD reserves the right, at its sole discretion to award the next best evaluated responsive proposal.

Evaluation Factors:

Awarding Best Value and Evaluation Criteria:

When deemed necessary, responses shall be evaluated by a committee designated by Desoto ISD. The

District will generally award contracts on the basis of best value. Award(s) will be made to the best responsive, responsible offer, price and other factors considered. In determining the best value for the district. In awarding a contract, a district shall consider:

- Purchase price.
- The reputation of the vendor and of the vendor's goods or services.
- The quality of the vendor's goods or services.
- The extent to which the goods or services meet the district's needs.
- The vendor's past relationship with the district.
- The impact on the ability of the district to comply with laws relating to historically underutilized businesses.
- The total long-term cost to the district to acquire the goods or services.
- Evaluations may include any other relevant factor specifically listed in the request for bids or proposals.

[Texas Education Code 44.031(b)]. Although all evaluation criteria listed above may be considered by the District, the District will decide which criteria will determine the successful bidder(s) to be considered for contract award.

When an evaluation is applicable, an evaluations committee will conduct a comprehensive, fair and impartial evaluation of all proposals received in response to this RFP.

Each proposal received will be analyzed to determine overall responsiveness and completeness as defined in the scope section and in the instructions on submitting a proposal. Failure to comply with the instructions or to submit a complete proposal may deem a proposal non-responsive and may at the discretion of the Evaluation Committee be eliminated from further evaluation.

If the evaluation committee has reasonable grounds to believe that the Proposer is unable to perform the required services to the satisfaction of Desoto ISD, Desoto ISD reserves the right to make an award to another proposer. Some indicators (but not a complete list) of possible supplier/proposer performance concerns are:

- Past supplier performance.
- The proposer's financial resources and ability to perform.
- The proposer's experience or demonstrated capability and responsibility.

- The proposer's ability to provide a reliable on-going business relationship and the maintenance of on-going agreements and support.

The Large Commercial Kitchen Equipment Solicitation Evaluation Criteria will be based on:

This addendum requires review and signature from any vendor/independent contractor ("Contractor") entering into a contract ("Contract") with the Desoto Independent School District to ensure the Contractor complies with the requirements stipulated herein.

HB 89 - Certification Regarding Israel

House Bill 89 (HB 89) prohibits governmental entities from entering into Contracts for goods and services that do not contain the Contractor's written verification that the Contractor does not, and during the term of the contract will not, boycott Israel.

SB 252 - Verification Regarding Terrorist Organizations

Senate Bill 252 (SB 252) prohibits governmental entities from contracting with parties on the State Comptroller's list of companies known to have contracts with, or provide supplies or services to, an organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State. As a result of the new law, governmental entities are required to verify that vendors are not on the Comptroller's list (the "List") of companies with ties to foreign terrorists. The Comptroller's Office provides and maintains such List and anticipates the List going live on September 1, 2017. The List will be accessible through the Texas Treasury Safekeeping Trust (<http://www.ttstc.org/index.php>) or through a link on the Texas Comptroller's website (<https://comptroller.texas.gov>).

Contractor Certification

The Contractor entering into a Contract with the Desoto Independent School District ("Desoto ISD") for the provision of goods or services, whether such Contract is in the form of either a written agreement executed between both parties or a duly authorized Desoto ISD purchase order, Contractor hereby certifies that it is not a company identified on the Texas Comptroller's List of companies known to have contracts with, or provide supplies or services to, a foreign organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State. Contractor further certifies and verifies that neither Contractor, nor any affiliate, subsidiary, or parent company of Contractor, if any (the "Contractor Companies"), boycotts Israel, and Contractor agrees that Contractor and Contractor Companies will not boycott Israel during the term of this Contract. For purposes of this Contract, the term "boycott" shall mean and include terminating business activities or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory.

Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added [section 2252.908](#) of the Government

Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency.

The law applies (with a few exceptions) only to a contract between a business entity and a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

Changed or Amended Contracts:

Form 1295 is only required for a change made to an existing contract in certain circumstances: (1) if a Form 1295 was not filed for the existing contract, then a filing is only required if the changed contract either requires an action or vote by the governing body or the value of the changed contract is at least \$1 million; or (2) if a Form 1295 was filed for the existing contract, then another filing is only required for the changed contract if there is a change to the information disclosed in the Form 1295, the changed contract requires an action or vote by the governing body, or the value of the changed contract increases by at least \$1 million.

As required by law, the Commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The Commission also adopted rules ([Chapter 46](#)) to implement the law. The Commission does not have any additional authority to enforce or interpret [section 2252.908](#) of the Government Code.

Filing Process:

A business entity must use the [Form 1295 filing application](#) the Commission created to enter the required information on Form 1295 and print a copy of the completed form. Once entered into the filing application, the completed form will include a unique certification number, called a “certification of filing.”

An authorized agent of the business entity must sign the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct.

The completed, printed, and signed Form 1295 bearing the unique certification of filing number must be filed with the governmental body or state agency with which the business entity is entering into the contract.

Acknowledgement by State Agency or Governmental Entity:

The governmental entity or state agency must acknowledge receipt of the filed Form 1295 with the certification of filing, using the Commission’s filing application, not later than the 30th day after the date the governing body or state agency receives the Form 1295. The Commission will post the completed Form 1295 to its website within seven business days after the governmental entity or state agency acknowledges receipt of the form.
